Dear Dr Yilmaz

I am writing on behalf of the International League of Dermatological Societies, its Board of Directors and Member Organisations to express our profound sympathy for the devastating catastrophe that has struck your region.

We extend our heartfelt condolences to the families of the victims, the injured and those affected by the earthquake. Our thoughts are with those who are still missing, and we hope for their early and safe recovery. Our global community stands behind you. We wish you strength and courage in the days ahead.

Please let us know if there is anything we can do to support your Members and their families.

With warm regards

Professor Lars French  
ILDS President
